

DEFENSE MEDIA ACTIVITY (DMA)

Contracting Office
6700 Taylor Avenue
Fort George G. Meade, MD 20755

Notice of Intent

The Defense Media Activity in Fort Meade, Maryland intends to award a sole source purchase order as prescribed in FAR 13.106-1(b)(1) to Antenna Technology Communications, Inc (ACTi). The contractor shall provide On-Site Service/Tune-up of a Simulsat 5 antenna located at Fort Meade, Maryland. The service includes:

- Verifying Simulsat antenna reflector alignment and true as required.
- Verify/optimize feed box location of each installed C Band and Ku Band feed.
- Align each installed feed to provide maximum signal with the best signal quality.
- Check signal leakage and integrity of all connectors, cables; correct as necessary.
- Document system performance and spectral plots for each feed.

The North American Industry Classification System (NAICS) for this requirement is 517110 and the size standard is 1,500. Interested persons may identify their interest, in writing, to the Government point of contact. Responses shall be emailed to the Government point of contact below. Responses should include the firm's Dun and Bradstreet Number and Tax Identification Number. Firms should identify business size (i.e. small business, other than small business, etc.) in accordance with the size standard for NAICS 517110. Responses to this notice must be received no later than 1:00 PM, Eastern Standard Time, May 10, 2017. This notice of intent is not a request for competitive proposals or a solicitation of offers. The point of contact for this action is Shadonna Minnis, Contract Specialist, shadonna.d.minnis.civ@mail.mil.
